

HAVE YOU BEEN DIAGNOSED WITH RHEUMATOID ARTHRITIS WITHIN THE PAST 6 MONTHS?

Spectrum Medical, Inc./ Sharukh Shroff, MD is conducting a study to examine the safety & efficacy of an investigational medication in achieving clinical remission in adults with early rheumatoid arthritis.

To qualify, you must:

- At least 18 years of age with Early RA (diagnosed within the past 6 months)
- No previous exposure to DMARDS or biologics
- Meet other criteria as appropriate

Study related investigational medication, examinations, and medical care will be provided at no cost to you. In addition, reimbursement for time and travel may be provided.
